CHEMISTRY IS ABOUT TO GET COSMIC!

Explore the fascinating links between chemistry and outer space during Chemistry Connections 2018. You'll find hands-on, minds-on activities that bring astrochemistry to life along with classic chemistry experiments that will inspire and enlighten. Museum staff, American Chemical Society Student Groups from area universities and high school students will lead these engaging experiences.

SCHOOL FIELD TRIPS

All Chemistry Connections experiences are included with exhibit admission.

(2ND GRADE AND ABOVE)

School groups of 15 or more can book field trips in advance by calling 817-255-9440 or visiting www.fwmsh.org/about-us/field-trips.

HOMESCHOOL AFTERNOON

(2ND GRADE AND ABOVE)

Special extended hours for homeschool educators and children will be offered on Thursday, October 25 from 1:30-4:00 pm.

Your students will:

- Solve chemistry mysteries
- Use amazing tools of science
- Learn from area high school and university students
